Brown Smith Wallace IT Auditors Earn CISA Certification

St. LOUIS (March 2, 2010) Matt Deniszczuk, Ashley Lane and Erich Snyder of Brown Smith Wallace LLC have earned their Certified Information Systems Auditor (CISA) certification.

The CISA certification is the globally accepted standard of achievement among information systems (IS) audit, control and security professionals. By obtaining the CISA designation, individuals have demonstrated proficiency within the field of information systems. The CISA is also the basis for measurement in the profession.

Deniszczuk, an associate in the Risk Services practice, has over three years of experience and is skilled at IT audits and compliance. He earned his Bachelor of Science degree in Informatics with a concentration in Cyber Security from Indiana University. Deniszczuk is a member of the Information Systems Audit and Control Association and the Institute of Internal Auditors. He currently resides in Pacific, Mo.

Lane, a senior in the Risk Services practice, has four years of experience and holds a Bachelor of Science degree in Business Administration with a concentration in Accounting from Southeast Missouri State and a Masters in Business Administration from the University of Missouri-St. Louis. She is experienced at operational audits, application reviews and IT audits. She is a member of the Information Systems Audit and Control Association and the Institute of Internal Auditors. Lane resides in O'Fallon, Mo.

Snyder is a senior in Risk Services practice. With over three years of experience, he is skilled at attack and penetration testing, PCI compliance reviews and IT audits. Snyder is a member of the Information Systems Audit and Control Association and the Institute of Internal Auditors. He earned a Bachelor of Arts degree in Information Technology from Lindenwood University. Snyder resides in O'Fallon, Mo. with his wife and children.
