

National Retail Federation Annual Internal Audit Event - White Collar Crime and Fraud in the Retail Industry Roundtable Presentation hosted by Ryan Hauber, MBA, CFE

Internal Audit and Compliance Council Meeting. The annual meeting of the Internal Audit and Compliance Council for all large to midsized Retailers was held on April 20-21, 2009 at the NRF's office in Washington, DC. The agenda included a presentation on white collar crime and fraud in the retail industry from white collar crime subject matter expert Ryan Hauber at Brown Smith Wallace LLC.

St. Louis, MO, May 04, 2009 --(PR.com)-- Ryan Hauber, MBA, CFE of Brown Smith Wallace was invited as a nationwide subject matter expert on the areas of Fraud and White Collar Crime to host a roundtable discussion with the top Retailers across the country in Washington D.C.

The annual meeting of the Internal Audit and Compliance Council for all large to midsized Retailers was held on April 20-21, 2009 at the National Retail Federation's office in Washington, DC.

Hauber's mix of Internal Audit and Fraud expertise includes Retail Industry experience as an Internal Audit Manager with a Fortune 500 Retailer that spanned several years as their liaison for all Fraud related matters. His deep expertise also includes working on a wide variety of complex Fraud, Forensic and Internal Audit engagements for a wide spread of industries outside of the Retail Sector. Hauber has been a Practice Leader since 2005 for large nationwide professional service firms working on large engagements for Fortune 50 international organizations that include Siemens, along with the World's largest Retailer.

Ryan can be reached via email at rhauber@bswllc.com or 314-488-3048. To receive a copy of this Fraud and White Collar Crime presentation and/or to be included on the distribution list for future correspondence related to Fraud and White Collar Crime Best Practices - please contact Ryan directly via email or cell.
